MEMORANDUM FOR: Director of Security

SUBJECT : Project OGCART - Pilots

1. On 9 August 1962, a panel was convened under your jurisdiction to evaluate all relevant data which had been gathered in the pre and post recruitment evaluation of the first four OGCART pilots and to render judgment as to each individual's suitability for CIA employment and assignment to the high-risk OGCART mission.

2. One of the four, ☐ was found acceptable by the panel on a conditional basis only. The potential disqualifying factor was the difficulty which might be encountered with his wife in the event of an incident. Subsequent evaluations have been run and in the interest of both the mission and himself, ☐ was dropped from further consideration and is now performing normal duty with the USAF.

3. We are prepared to employ three additional pilots. Their names are:
